3 No match	No match	No match	No match	No runner

Note 1: where a Runner who is not a members of an East Sussex participating club is first in a category an additional award will be given to the first Participating East Sussex Club Runner

Note 2: runners must have completed at least 3 races to qualify for an award

Note 3: where two runners score the same points position if determined by count back highest to lowest qualifying score So if runner A's highest point score is higher then runner b then runner A is first, if they have the same highest score comparison in made for the second score etc. Should all points match for the scoring races then they will be marked as joint for that position: if this is for first a trophy will be given to both runners: however at the awards presentation we will only have one trophy so an additional trophy will be provided later.

Please note that account is only taken of scoring races: we do not look at total points across all races run.
